

STUN GUNS

1-

KL-800 MINI Style

Specifications

KL-800 Type Stun Gun

Product Name: STUN
GUN

Model Number: KL-800

Origin : China

Main Function

High voltage electric
shock

Strong LED illumination

1. Source voltage:6V
2. Output voltage:3500KV
3. Current consumption
 $\leq 1.9A$ (for electric shock)
 $\leq 0.8A$ (for illumination)
4. Size:105mm×55mm×25mm
5. Environmental temperature:-5°F~113°F
6. Inner packing Measurement:
175×60×50mm
7. Gross weight/Net weight: 160g/120g
8. Color: Black, Pink

2-

K95

K95 Type Stun Gun

Product Name: STUN
GUN
Model Number: KL-95
Origin : China

Main Function

High voltage electric
shock
Strong LED illumination

Specifications

1. Source voltage: 4.8 V
Output voltage: 2500KV
2. Size: 110 ×50 ×22 (mm)
3. Current consumption:
≤1.9A (for electric shock)
≤0.8A (for illumination)
4. Environmental temperature: -
5°F~113°F
5. Relative humidity: 30°C (20-30%)
6. Inner packing Measurement:
150×90×45mm
7. Gross weight/Net weight: 235g/120g

3-

KL-928

Specifications

KL-928 Type Stun Gun

Product Name: STUN
GUN

Model Number: KL-928

Origin : SZ, China

Main Function

High voltage electric
shock

Highlight illumination

1. Source voltage: 7.2 V
Output voltage: 2500kv
2. Current consumption:
<1.9A (for electric shock)
<0.8A (for illumination)
3. Size: 169×30×52mm
4. Environmental temperature: -
5°F~113°F
5. Inner packing Measurement:
170×45×30mm
6. Gross weight/Net weight: 295g/180g

DEFENSA ELECTRICA RECARGABLE

ALTO VOLTAJE 2.500.000 VOLTS

DEFENSA ELECTRICA CORRIENTE DIRECTA DE ALTO VOLTAJE

CONSUMO DE POTENCIA 7,2 V

DESCARGA DE POTENCIA EN VOLTIOS 2.500 KV

DESCARGA EN AMPERIOS: 0,19 amp

DIMENSIONES: 169×30×52mm

4-

K98

K98 Type Stun Gun

Product Name: STUN GUN

Model Number: K98

Origin : SZ, China

Main Function

High voltage electric shock

Strong LED illumination

Specifications

1. Source voltage: 4.8 V

Output volage: 3500kv

2. Current consumption:

<1.9A (for electric shock)

<0.8A (for illumination)

3. Size: 37×46 ×132(mm)

4. Environmental temperature: -

5°F~113°F

5. Color: Red, black and silvery

Defensa Electrica 3500KV Tiburon Super tensión pistola paralizante de Seguridad (recargable).

1. la pistola paralizante uso de circuitos de alta frecuencia, la salida de la mejora de las actuales.Gran capacidad de descarga de la energía de CA de salida

2. Super LED de luz de destello, el ahorro de energía más duradero

3. Construido con baterías recargables

ESPECIFICACIONES:

Descargas eléctricas de alta tensión

Fuerte Especificaciones iluminación LED

1. Fuente de tensión: 4,8 V

2. Consumo de corriente:

- <1.9A (por descarga eléctrica)
- <0,8 (para iluminación)
- 3. Tamaño: 37 × 46 × 132 (mm)
- 4. Temperatura ambiente: -5 ° F a 113 ° F

Peso: 260g/unidad

ADVERTENCIA: MANTENER FUERA DEL ALCANCE DE LOS NIÑOS

6-

Gofalon KL-958

Specifications

KL-958 Type Stun Gun

Product Name: STUN
GUN

Model Number: KL-958

Origin : SZ, China

Main Function

High voltage electric
shock

Highlight illumination

1. Source voltage: 6.0 V
Output voltage : 2500kv
2. Current consumption:
<1.9A (for electric shock)
<0.8A (for illumination)
3. Size: 142×29×50mm
4. Environmental temperature: -
5°F~113°F
5. Inner packing Measurement:
165×50×90mm
6. Gross weight/Net weight: 270g/150g

7-

Remote needle electric

Specifications

The gun use laser to aim, it can shoot 5m distance to make electric attack.

Inner packing Measurement: 250*18*7 cm

Gross weight/Net weight: 645g/170g

8.

W-09 Type Stun Gun

Product Name: STUN GUN

Model Number: TW-09

Origin : China

Specifications

1. Source voltage: 7.2 V
Output voltage: 3600kv
2. Current consumption:
<1.9A (for electric shock)
<0.8A (for illumination)
3. Size: Extension length 550mm
Contraction length 320mm
4. Environmental temperature: -5°F~113°F
5. Inner packing Measurement: 350×95×65mm
6. Gross weight/Net weight: 880g/510g
7. Normal Packing: 50pcs/carton
8. Outer packing Measurement: 57×37×61.5cm
9. Gross weight/Net weight: .45Kg/.44Kg

Main Function

- High voltage electric shock
- Alarm
- Highlight illumination
